

Meet the Club's Committee Cindy Ranson - Chair

- I first got involved in this breed in 2012 after buying Aritaur Gunga 'Din' from Jay and Martin Horgan.
- I already had Rottweilers and a Dogue De Bordeaux and I had grown up with Dobermanns, but was looking for something smaller for my daughter to grow up with. We have had a great adventure with Din gaining 13 Ch titles in many countries and Best of Breed at Crufts 2013.
- We also imported 2 bitches from Poland and Germany.
- In 2014 a group of us started up a new Club for German Pinschers. *The National German Pinscher Club*.
- I'm very proud to be the Chairman and to have such wonderful people on the Committee, who have such love and passion for the breed.
- Ben & I have 4 Pinschers living at home with us and our daughter Brooke & son Jimmy.
- Din from Aritaur, Zula from Star of Elune kennel in Poland and their 2 daughters Ammi and Bella
- We have had 3 successful litters from Zula. The first two litters were sired by Din and the third was by Redrovia Aragon.
- From the first litter we have Int. Multi Ch. CalvaXar Athena Wot a Thriller, who is the Top Winning Bitch in Europe and was Best of Breed at Crufts 2016

- From her last litter we had 2 Exported to USA CalvaXar Canonball to Nevar and CalvaXar Chakachatna.
- I am proud to say that both boys were made up to Champions before reaching 1 year old.

- I'm very proud of all my puppy owners, who do such a wonderful job with our dogs inside and outside the ring.
- They all do such a fantastic job promoting the breed.
