

Dear Club Members.

As 2017 draws to a close the Club's Committee would like to say a big thank you for all your support, in what has been a very successful and busy year for, The National German Pinscher Club. The highlight of which was in April when we became Kennel Club (KC) Registered.

Being KC registered is a massive achievement considering the Club has only been established for a few years. It's testament to the many years of experience in owning, breeding and showing this breed, which the Club's Committee and it's members have.

The National German Pinscher Club is the first and only German Pinscher Breed Club in Britain to insist on health testing for dogs bred by it's members.

This means we can assure buyers, that German Pinschers bought from a member of the National German Pinscher Club have all been tested to the minimum standard of Hips, Eyes and vWD.

- June saw the Clubs first Limit Show.
- It was an 11 Class Limited Single Breed Show that was held in conjunction with Southern Counties Canine Association Championship Show.
- The Judge was Mrs Sue Mycroft (Supeta) and the Best in Show was Redrovia Aragon 'Dash'.
- It was a great opportunity for our more novice handlers to get in the ring.
- After the show we held our Club AGM, which was very well attended and rounded off a great day.

Due to the success of this show we are planning on doing it all again next summer.

THE KENNEL CLUB GOOD CITIZEN DOG SCHEME

- *The Kennel Club Good Citizen Dog Scheme* is the UK's largest dog training programme. The Scheme promotes responsible dog ownership by teaching owners to train their dogs for everyday life situations.
- There are four levels - Puppy Foundation, Bronze, Silver and Gold, each one developing an owners understanding, while building a dog's confidence and levels of domestic obedience skills.
- The National German Pinscher Club encourages its members to take part and if it interests you please take a look at the Kennel Club website for more information:

A new 'Dog Focused' website was launched in July. dogfocus.co.uk provides the latest news, opinions, advice, events and dog products etc. Our Club's Chair, Cindy Ranson, writes the German Pinscher Breed Notes so if you want to know what's going on with the breed in the UK and abroad go online and have a look.

Clearly,
a better view

All breeders of the National German Pinscher Club must satisfactorily health test all their dogs **before** breeding for Hips, Eyes and vWD. This is why as a club we are delighted to support the German Pinscher Global Health Database. For more information see:

For a Birthday Cake that your Pinscher cant wait to get their paws on - here is a great recipe from Neeco & Chey.

- 500g minced meat
- 1 egg
- 250ml milk
- 100g dried breadcrumbs
- Garlic granules
- Tin of carrots
- Peas

Mix everything together and put it in a greased loaf tin and bake at 180' for an hour.

A New Logo

Some of you may have noticed a new Club Logo was introduced in November. We will still be using the old one but for Club merchandise, which we are hoping to introduce next year, we thought a simpler logo would be preferable. We will let you know as and when items will be available.
